

THE GCI COACHING INTENSIVE – BARCELONA SPAIN

Join us on this five-day intensive coach training workshop, based on Process Work and organisational development theories, designed for both new and experienced coaches. It combines two GCI modules which are also part of the **GCI ICF ACTP Accredited Coach Training Pathway**.

Barcelona 2017

The GCI ICF ACTP Accredited Coach Training Pathway

GCI 101 – The E¹ME²RGE³ Model™ of Coaching

You will learn an exciting, new and unique model for advanced coaching, depth psychology and systems thinking. This module will expand your awareness and develop the skills needed to elicit compelling visions, cultivate coaching presence and ask powerful coaching questions.

Unparalleled Coaching Education

**We provide the opportunity
for full Accreditation**

GCI 102 – The GCI Coaching Roadmap™

In addition to learning this dynamic framework for understanding personal, team and organisational change, you will be introduced to leading edge concepts in human development and systems thinking. The result is a strong theoretical understanding and skills for organisational coaching that results in profound transformation.

Venue

The Calipolis Hotel
<http://www.hotelcalipolis.com> is right on the seafront, in the middle of the Promenade, by the entertainment areas and the most important beaches in Sitges.
Sitges is one of the most charming and vibrant towns on the Catalan coastline, a mere 38 km from Barcelona city centre and 25 km from Barcelona El Prat Airport. You can get to Sitges by train, bus or taxi

Accreditation

Those looking for an ICF credential can attend the five-day intensive and also participate in additional online learning, reading, peer group and tele-class activities.

Participants will have completed 60 hours of coach specific training required to apply for ICF Accreditation as an Associate Certified Coach (ACC level) under the ACSTH pathway.

In addition to the 60 hours of training provided by GCI, participants seeking ICF ACC accreditation will need to complete: 100 hours of coaching sessions (75% paid hours) 10 hours of mentor coaching (minimum three individual and seven group mentoring) and an online multiple choice Coach Knowledge questionnaire provided by ICF.

GCI offers individual mentor coaching sessions and group sessions for six participants. Check out our website for further details or contact us directly if you would like to join a mentor coaching group. Please note that if you plan to complete the full GCI Coaching Foundations program (GCI 101, 102 and 103), 10 mentor coaching sessions are included in GCI 103.

Those wishing to complete the ICF ACTP pathway can enrol in GCI 103 Coaching Untapped Potential. On completion of GCI 103 participants will have completed 129 hours of coach specific training, 10 hours of coach mentoring and will be eligible to apply for ICF Professional Certified Coach (PCC) under the PCC ACTP pathway. Please see the ICF website for additional requirements:
