The GCI ICF ACTP Accredited Coach Training Pathway

GCI 101 – The E¹ME²RGE³ Model™ of Coaching

You will learn an exciting, new and unique model for advanced coaching, depth psychology and systems thinking. This module will expand your awareness and develop the skills needed to elicit compelling visions, cultivate coaching presence and ask powerful coaching questions. For full course description: <https://www.globalcoachinginstitute.org/coach-training>

Unparalleled Coaching Education

**We provide the opportunity
for full accreditation**

GCI 102 – The GCI Coaching Roadmap™

In addition to applying The GCI Coaching Roadmap™, a dynamic framework for understanding personal, team and organisational change, you will be introduced to leading edge concepts in human development and systems thinking. You will gain a strong theoretical understanding and organisational coaching skills that result in profound transformation. For full course description: <https://www.globalcoachinginstitute.org/coach-training>

Venue

The workshop will be delivered in the vicinity of Barcelona. Venue to be advised.

Accreditation

Completion of the first two modules within our Coaching Foundation program (GCI 101 and GCI 102) comprises of 60 hours of coach specific training. 60 hours is the minimum training requirement required to apply for your International Coach Federation (ICF) Associate Certified Coach credential under the ACSTH pathway.

If you wish to join the ICF, In addition to attending our Coach Training Intensive you will need to complete 10 hours of mentor coaching over a minimum period of three months, gain 100 hours of coaching experience, submit a recording of a coaching session and complete an on line Coach Knowledge Assessment (CKA). See the ICF website for further details about these additional requirements. <https://coachfederation.org/icf-credential/acc-paths>

GCI offers individual and group mentor coaching sessions. Please contact us directly if you would like to join a mentor coaching group or receive individual mentoring. See our website for further details: <https://goo.gl/U3QGs1>
You can also be mentored by any ICF accredited coach who has held their credential for more than 3 years.
