

JULIE DIAMOND

WEB SEMINAR: POWER INTELLIGENCE

Our power impacts the people around us, influencing how free they feel to speak up, to contribute, take risks, even ask questions. And this in turn, has a huge effect on organizational culture and business outcomes, affecting everything from productivity, to decision making, to innovation.

WEB SEMINAR 1: The Lens of power

November 12th

- Why power? How and why power is a blind spot for leaders.
- Psychological and social influences (what does power do to you? and how do people change their behavior around you?).
- What are the problems that Power Intelligence solves?

WEB SEMINAR 2: Reactivity and Powerlessness

November 26th

- The Sense of Power vs. Use of Power dichotomy.
- How positional power can hide a low personal sense of power.
- The three dimensions of personal power (courage, attention, purpose).

WEB SEMINAR 3: The Seven Power Behaviors

December 17th

- Power as freedom, and the costs you incur when you use that freedom.
- The seven power competencies & three domains of awareness.
- Using power in reactive or creative ways.
